Unicity Cleanse Pack

Most people have heard the phrase, “Take care of your body and it will take care of you.” But in today’s busy world, we don’t always get to eat the right foods with the right balance of nutrients to keep everything moving and functioning as it should, which leads to buildup of metabolic waste. Plus, the products we use every day, and even our environment, can cause buildup over time.

Fortunately, our bodies are designed to eliminate waste material before it accumulates and causes health concerns. The liver, kidneys, and colon work together to ensure these compounds don’t make it into the bloodstream. But when these systems aren’t working properly, it can cause fatigue and weight gain, among other potential issues. Sometimes it’s necessary to give our bodies a little extra help to keep things moving properly through the digestive system.

Unicity Cleanse is a powerful, 30-day system that helps to first cleanse the digestive system and then nourish a healthy microbiome. It helps the body clear the digestive tract, supports the replacement of good bacteria, and then nourishes the good bacteria with prebiotic ingredients—allowing a healthy microbiome to flourish.

Benefits

Gently nourishes and cleanses the digestive system

Supports a healthy microbiome

Aids the body in eliminating metabolic waste

Increases satiety to curb appetite

- Individuals wanting to bring a healthy balance to their intestinal biome

What's Inside

Paraway Plus

Unicity Paraway Plus is comprehensive gastrointestinal support designed to bring your microbiome into balance, aid the body in the cleansing of unwanted materials, and help support the digestive tract. Paraway Plus' exclusive herbal blend aids in supporting a healthy, balanced gut biome.

LiFiber

LiFiber is a high-quality psyllium husk product that contains dietary fiber and a proprietary herbal blend that promotes gastrointestinal health. The herbal blend gently nourishes the digestive system, helping it maintain proper function over time and promote regularity. LiFiber also provides a plant-based source of fiber that most people lack in their diets, which helps move waste through the digestive tract and helps support an overall healthy microbiome.

Aloe Vera

Unicity Aloe Vera provides a powerful, natural way to gently cleanse your intestines to promote a normal healthy digestive system. It helps give your body the deep cleanse it needs to support digestive regularity and eliminate waste.

Cleanse Schedule

To get the most out of this 30-day cleanse, please follow these daily instructions.

Water

Drink at least 64 oz. (1.9 L) each day.

Paraway Plus

Take two capsules every morning for the first 10 days, then five capsules every morning for the next 20 days.

LiFiber

Mix one level scoop of LiFiber with 8–10 oz. (0.25 L) water. Drink immediately. Take 1–2 times daily.

Aloe Vera

Take one capsule with a full glass (8 oz. / 0.25 L) of water each day.

Tip: While you may continue to eat as normal while taking the Unicity Cleanse Pack, we recommend a healthy, balanced diet with plenty of water.

What to Expect

The process of ridding your body of accumulated waste with Cleanse may cause some initial mild discomfort. This discomfort may include: blemishes, constipation, cramping, diarrhea, gas, bloating, nausea, and changes in your urine and stool—including organisms in your stool.

As your body adjusts to cleansing, these uncomfortable symptoms will gradually diminish, and then disappear completely. However, if any of these symptoms persist, discontinue use and contact your doctor.

The Unicity Cleanse Pack is intended for healthy individuals and is not for long-term use. Take only as directed. Do not take if you are pregnant, breastfeeding, or taking medications. Consult your health care provider before taking any Cleanse products if you have a medical condition.
